Before Requesting a Quote

Key things to consider before starting a private label project.

What Is Possible

- ✓ Flushable wipes certified to AS/NZS 5328.
- ✓ Custom formulations.
- ✓ Plastic free with natural fibres.
- ✓ Small canister runs.
- ✓ Packaging and artwork design.
- ✓ Non-disclosure agreements to protect your brand and product information.

What Is Not Possible

- ✗ Very low MOQs for soft packs and sachets.
- ✗ Unsupported product claims.
- ✗ Copying competitor designs.
- ✗ Mixing plastic and natural fibres for flushable wipes.

MOQ - Minimum Order Quantity

Lead Times

Idea ➤ Development ➤ Shipped

2-4 Months after artwork and materials are approved.
Custom formulations or special materials may require additional time.

Share Your Project

The more information you provide, the faster we can prepare accurate pricing and lead times.
